Subject: RE: Final Trip Report Shiloh Church Road

This report is MUCH better. Please go ahead and print and bind 7 copies for Wednesday's UC meeting. Printing is billable to the TDD. I performed a fairly thorough review, but am going to hold off on signing until Wed in case any minor corrections come up.

Thank you for your hard work on this. We now have a solid technical report which will assist with future planning.

I am headed out this morning on EPA travel and will be checking email infrequently. Please call with any questions

Thank you
Chris
